

## **Pokfulam Art Exhibition 2014 - Change**

The Pok Fu Lam Community Project Committee of West Island School once again warmly invites you to participate in our third "Pokfulam Student Art Exhibition"! This year our theme is derived from our ever developing community. We ask students to base their pieces of art around the concept of **Change**, hoping that students will try to continuously improve themselves through this endeavour just as our beautiful little district does.

This invitation is extended to any student currently studying at any of the invited schools with a passion for the arts and an idea of how to express it.

(Invited schools: Kennedy School, Kellett School, The ISF Academy, Caritas Wu Cheng Chung Secondary School, St Clare's Girls' School, Ebenezer School & Home for the Visually Impaired, St Paul's College Primary School and West Island School)
